

Nurturing, Understanding, and Growing a Young Mind

New Research about your TEENAGER'S BRAIN

**Presented by Dr. Dean Blumberg Ph.D., MFT, CADC
Coordinator of Adolescent and Family Treatment
San Francisco Kaiser Permanente**

Dr. Blumberg is an expert in the field of Adolescent Development. He uses humor and years of clinical experience to teach about healthy and unhealthy risk-taking and the adolescent mind. Dr. Blumberg will focus on effectively communicating with your teen, preventing drug and alcohol use and abuse and the impact of substances on the developing mind.
